KARUNYA UNIVERSITY

B.Tech Computer Science
June 2016 - present

CHAVARA CMI PUBLIC SCHOOL

HSC in computer science stream
PASSED with 87%
June 2014 - March 2016

INDIAN SCHOOL MULADHA, OMAN

SSC passed with 9.8 CGPA
June 2003- April 2014

PERSONAL PROFILE

I am a 19 year old second year cse student of Karunya University. I am passionate in programming and developing skills in hardware designs. I would like to be in a competitive and developing environment where i would analyse my progress and improve my skills

OBJECTIVE

I found hardware designing and programming interesting to explore. And have a lot to learn and innovate in the designing of products using Arduino. This project would help me attain greater heights in terms of knowledge. Thus i look forward for this project.
